Ashford Chalet

Maidstone Chalet

Dartford Chalet

The door and window position can be mirrored on the front of the Ashford and Maidstone cabins. You can choose which side the side window is positioned on all models.

All prices are valid within a 50 mile radius and include for roadside delivery on a crane-equipped vehicle for self-assembly. All fixings and manuals are provided and the building can be installed by a pair of competent people. If required we can arrange various additional services as shown above through a number of recognised independent teams.

### Optional extras for all Humber interlocking log cabins

Add pair of double doors (building may need extra height)	£1,202
Add extra single window to side or rear of building	£494
Remove side window	No cost option
Exchange glazing style (3ft to 4ft or 4ft to 3ft)	No cost option
Bespoke size or door/window configuration	Upon request

The items listed in the 'optional extras' section are supplied for self-positioning and may require some cutting of logs unless we are installing your building in which case these will be fitted as part of the package (as is the case with those items on the main price grid which are marked with an asterisk \*)

(\*\*) The protective paint kit is offered as a DIY solution to ensure the best protection for your new building. It contains enough for you to apply three coats of Jotun Demidekk to the exterior. It does not include for any knotting solution, stain blocker or woodfiller that may be required. If you do not wish to apply the protective paint yourself then we can arrange for a decorator to attend your home (within 50 miles radius) and apply our paint kit for the cost indicated above.
